## Giant Battle Fleets of U.S. and Japan Clash in Pacific

### NIMITZ HINTS FOE'S ENTIRE FLEET MET IN SEA ENGAGEMENT

**BULLETIN**

By The Associated Press

NEW YORK, June 21—A Japanese broadcast said today that a "fierce naval battle" is raging in the central Pacific off the Marianas. The British radio said "a Japanese spokesman was quoted as saying that this battle would have far-reaching effects on the Pacific war situation." CBS recorded the London report of the Japanese broadcast.

U. S. PACIFIC FLEET HEADQUARTERS, PEARL HARBOR, JUNE 21—Giant battle fleets of the United States and Japan faced each other today in the 1,500 miles between the Philippines and Marianas amid indications that preliminary blows already may have opened a history-making naval engagement.

"Possibly the entire Japanese fleet" has entered the area, Adm. Chester M. Nimitz disclosed. It was the first report on the whereabouts of the long-sought navy of Nippon since its crushing defeat at Midway in June, 1942.

Eager and ready for battle is the Fifth U. S. fleet with "enough muscle... to take care of everything" in the words of the confident commander-in-chief of the Pacific fleet.

A Japanese naval spokesman was quoted in a Berlin broadcast today as saying Nippon's air and naval forces "have successfully engaged an American fleet" but Tokyo radio in another broadcast to the homeland quoted an imperial headquarters communique as acknowledging "we have suffered considerable losses of ships and planes."

On the embattled Saipan, in the Marianas 1,500 miles southeast of Tokyo, the Yanks called on planes, artillery and guns of warships to help crack bitter resistance of an estimated 20,000 Japanese, a Nimitz communique last night reported.

To the south of Saipan, enemy airfields on Tinian were shelled by warships and bombed by planes.

### "Sooner They Fight the Better," King Says of Jap. Navy

By The Associated Press

WASHINGTON, June 21—Admiral Ernest J. King, navy commander-in-chief, expressing appreciation for the "long expected cooperation" of the Japanese navy in apparently moving into battle position, expressed confidence today in the outcome of a prospective naval engagement in the western Pacific.

"The sooner the Japanese fleet fights, the better we'll be satisfied," King said.

He made his statement after Navy Secretary Forrestal had reported that despite strict radio silence from the Pacific there have been some indications that American forces "may have succeeded in catching up with all or part of the Japanese fleet yesterday."

Forrestal added that there is "no definite information" as to the prospective engagement.

He cast his comment upon a "current" yesterday by Admiral Chester W. Nimitz, Pacific fleet commander-in-chief, who reported that the Japanese fleet had been spotted in the waters east of the Philippine islands and indicated "the engagements may already have been fought."

Forrestal reported the Japanese fleet had been sighted at "various times during the last few days" and around from 500 to 800 miles to the westward of Saipan, in the Marianas east of the Philippines.

Forrestal said a Japanese plane and American naval units were spotted Sunday and indicated "planes apparently came from the Japanese fleet had been spotted in the waters east of the Philippine islands and indicated 'the engagements may already have been fought.'"

### RESIDENTIAL CANVASS ENDS

7-Day Total \$49,565; E Bond Sales Now 32 Per Cent of Quota.

One important phase of the Fifth War Loan in Marion county was completed last night when the residential canvassers made their final sweep of their neighborhoods and came in with orders for bonds totaling \$10,768.75.

It was the final night for air raid sirens to blow and for the workers to make an organized canvass. However, in some sections workers reported they still have some call-backs to make and more bonds will come in.

Last night's work brought to a close a seven-day canvass of the city residential areas that yielded a total of \$49,565.75. W. E. Orcutt, chairman of the residential division, said he considered that figure a satisfactory one, explaining that most Marion residents are buying their Fifth War Loan bonds through their places of employment.

"We were principally concerned with calling at every home in Marion and giving people personally a chance to buy extra bonds," he said. "From that standpoint, I believe the job is nearly 100 per cent, and I know that by the end of the drive the few places not yet contacted will be reached."

Industry Reports Coming

Meanwhile, the county's E bond total was pushed up to \$259,931.50 by yesterday's sales amounting to \$22,258.25. This is nearly 32 per cent of the \$819,000 E bond quota, and represents purchases of 5,411 persons. Industrial payroll purchases are being counted on to help boost both the number of buyers and the E total.

Yesterday's sales of E, F and G bonds aggregated \$26,930.25 and gave the county a new total of \$312,044.50 for individual buyers, representing a shade over 9 per cent of the \$3,365,000 quota for the county. The overall total will be swelled substantially when business and corporation purchases, now withheld from the drive reports, are counted in starting June 26.

Workers Praised

Drive leaders, commenting on the residential drive finale last night, praised the residential workers for the thorough job that

### BRICKER TO LEAVE FOR CHICAGO TODAY

By The Associated Press

COLUMBUS, O., June 21—Culminating an intensive campaign which carried him into 34 states, Gov. Bricker leaves for Chicago tonight to launch his final drive for the presidential nomination at the Republican national convention, opening Monday.

Encouraged by reports of substantial gains in the contest for delegates during pre-convention maneuvering, the governor's campaign managers at his Chicago headquarters evinced optimism over Bricker's chance of winning the nomination.

Accompanying the governor will be Mrs. Bricker, Robert L. Barton, the governor's secretary, and Mrs. Barton, John W. Galbreath, the governor's campaign manager and treasurer, and Mrs. Galbreath. Members of Bricker's advance guard who opened the governor's presidential headquarters in Chicago several days ago include Chairman Moore, Hugh Huntzinger, former treasurer of the Ohio Republican central and executive committee; Don H. Eberhart, state treasurer; chief of the governor's field force of contact men; Ed D. Schorr, Republican state chairman; and chairman of the Ohio delegation; A. A. Hoopingarner, head of the governor's publicity organization; and Mayor James A. Rhodes of Columbus, who is serving as the governor's traffic director.

By The Associated Press

SCOTTSBLUFF, Neb., June 21—German war prisoners from the prison camp here, employed by the Washburn Beet Growers association at Worland, Wyo., have refused to work since yesterday in protest of a change from day rate to piece work pay. Lt. Col. Clyde B. Dempster, camp commander, said today.

### BERLIN HIT BY 1,000-PLANE BOMBER FLEET

German Radio Hints Raiders on Initial Shuttle Raid from Britain to Russia.

By The Associated Press

LONDON, June 21—More than 1,000 American Flying Fortresses and Liberators blasted Berlin and the capital's outskirts today and the German radio indicated that at least some of the planes flew on eastward—possibly in the first shuttle raid from Britain to new American bases in Russia.

The bomber fleet had an escort of around 1,000 fighters, making a total force of some 2,000 planes which carried the aerial war one more to the heart of the German homeland.

Basdorf, on Berlin's outskirts, also was blasted.

German broadcasts admitted damage and casualties and threatened to retaliate with "bigger and more powerful explosives" than those used in the current rocket bomber offensive.

First Liberators flew back at British bases and there was plenty of flak over the targets but they did not see a single German fighter—a rare occurrence in raids on the hub of Germany.

Berlin broadcasts said the Hannover and Brunswick areas also had been attacked by the day-long raiders, but there was no immediate allied confirmation of these reports.

The Germans asserted Berlin had been the target of a "heavy terror raid" and said Germany would retaliate in due time "with bigger and more powerful explosives than the present new weapon, which already has caused havoc beyond description."

At the same time big fleets of allied planes were observed streaking out across Dover Strait and disappearing in the direction of the German rocket bomb bases which now have been pounded continuously for five days.

During the night the tempo of the allied aerial offensive was maintained as RAF Mosquitos thundered out in relays for four hours to harass German lines of reinforcements by blasting the Meridon railroad yards near Caen in the Normandy battle area. Rail yards at Chartres also were hit.

### Lyttelton Offers Apology To Clear Remark About U. S.

By The Associated Press

LONDON, June 21—In a personal apology to the house of commons, Capt. Oliver Lyttelton, British minister of supply, disclaimed today any intention of saying in a speech yesterday that United States lend-lease aid to Britain had forced Japan into attacking Pearl Harbor because he "manifestly untrue."

Lyttelton explained that in an interpolation in a speech which he delivered before the American Chamber of Commerce, he had merely tried to make clear Britain's gratitude for aid given her by the United States before the Japanese attack upon Pearl Harbor.

He concluded: "I want to make it quite clear that I do not complain of being misrepresented and that any misunderstanding is entirely my own fault."

"I ask the house to believe that the fault was one of expression and not of intention, and I hope that this apology will undo any harm which the original words may have caused here or in the United States."

Eric Hawkins of the New York Herald Tribune and Virgil Pinkley of the United Press, the only American press representatives at the luncheon, both quoted Lyttelton as saying in an interpolated aside that "it is a travesty of history."

### Reds Drive On Helsinki After Taking Viipuri

By The Associated Press

LONDON, June 21—Victorious Russian troops who occupied Finland's fortress city of Viipuri yesterday drove on today to the capital city of Helsinki where the Germans were reported exerting pressure to keep their ally from suing for peace with Premier Joseph Stalin.

(Russian troops "have advanced three miles beyond Viipuri," the British radio said today in a broadcast heard in New York by CBS.)

The Finnish radio, which told of the Russian advance, urged all persons whose presence was not essential to evacuate Helsinki, which lies approximately 135 airline miles west of Viipuri.

The Stockholm newspaper Dagens Nyheter said the Germans were endeavoring to block formation of a Finnish "peace cabinet" which they asserted would be formed "very soon" as a result of the Russian successes.

A Finnish informant in Stockholm said loss of the key Karasanki fortifications "left us helpless because our whole scheme of defense was built on the expectation we would be able to hold there."

The Moscow radio said Finland was on "the brink of defeat."

### SOLDIER FROM MARION KILLED

Pvt. Robert E. Murphy Meets Death in Accident at Texas Camp.

Pvt. Robert E. Murphy, 19, son of Mr. and Mrs. Robert E. Murphy of 326 Cherry street, was killed in a dump truck accident yesterday at 4:30 p. m. at Camp Lytle, Texas, where he was stationed in the Army Air Corps ground crew.

Word of the accident was received by his parents this morning in an official telegram from the camp. No particulars were given.

Pvt. Murphy was born Feb. 10, 1925 in Marion. He attended St. Mary High school and entered the service in September, 1943 during his junior year.

Always prominent in sports, Pvt. Murphy was a member of the St. Mary football team. He also played baseball and basketball and planned to be a physical education instructor.

He is survived by his parents and the following brothers and sisters, all at home: William, Edward, Gene, Joseph, Theodore, Frederick, Patricia Ann, Margaret and Kathleen.

Funeral arrangements will be completed upon arrival of the body from Potts. It will be taken to the L. A. Axe and Son Funeral Home.

### Cherbourg Was American Tourist Gate To Europe

By The Associated Press

Cherbourg, trans-Atlantic port for thousands of American visitors to Europe in peace time, is the third naval harbor of France, a gun-bristling fortified city at the tip of the Normandy peninsula jutting into the English channel.

The triangular bay forming its harbors is protected on the north by a long and thick breakwater surrounded by strong forts, which guard the city of 80,000.

Through the long and steady allied air offensive, the docks and quays and ships sheltered at Cherbourg repeatedly drew down fire bombs and explosives.

Capital of an arrondissement in the department of Manche, Cherbourg lies at the mouth of the Divette river 230 miles from Paris.

The city is said to be on the site of the Roman station of Cora-lum, but nothing is known definitely about its origin. William the conqueror founded a hospital and church there. Cherbourg was pillaged by an English fleet in 1295, and in the 14th century suffered during the wars with the English. It was captured in 1418, remaining in British hands until 1450.

Louis XIV began the task of making it a military port. Harbor works were begun under Louis XVI and continued by Napoleon Bonaparte with the French pour-

SUPREME HEADQUARTERS ALLIED EXPEDITIONARY FORCE, June 21—The fall of Cherbourg appeared today to be a matter of hours.

By The Associated Press

SUPREME HEADQUARTERS ALLIED EXPEDITIONARY FORCE, June 21—U. S. Doughboys supported by heavy artillery and bombardment today assaulted two key inner fortresses guarding Cherbourg—one less than a mile from the commercial docks—and fought house-to-house through the city's suburbs.

(An NBC broadcast from Normandy declared "our ground forces are moving into Cherbourg.")

The power drive from the south hammered against Fort Du Roule, on a hill at Cherbourg's outskirts and within a mile of the docks, and Fort Octeville, a little more than a mile to the west.

Cherbourg's great military port area, now exploding under German demolitions, lies only two miles behind Fort Octeville.

The Germans were making a last ditch stand in these inner ring fortresses.

Heavy fighting was reported in the built-up suburban section of France's third greatest port.

The assault upon the forts raved forward from St. Martin Le-Grand, four miles south of Cherbourg, and advanced units on the western flank drove in Aquieville, three to four miles west and slightly south of Cherbourg's city limits.

Fort Du Roule, a major key to control of the besieged German stronghold, stands atop a 450-foot hill.

The French worked for more than a century building up Cherbourg's forts and defenses and the Germans now are making a last stand in the inner ring—which embraces part of the city itself.

Smoke Covers City

Smoke hung over the city as the trapped German defenders carried out hurried demolitions in the strategic harbor area in plain view of the attacking American troops coming out of the hills surrounding their objective.

German defenses have stiffened and there are indications the Nazi high command has ordered a house-to-house fight by some 25,000 to 50,000 Germans now left with virtually no chance of escape. Allied broadcasts last night urged the trapped garrison to surrender.

Although the three main roads to Cherbourg from the south run into one main highway bottleneck just outside the city, the American troops apparently were closing in from three sides—south, west and east.

Comunique No. 31 from supreme headquarters this morning announced that the towns of Valognes, Les Pieux, Cavaulle and Rauville La Bazoile were in allied hands, but the advance American

line runs some distance beyond these points.

The line starts north of Les Pieux, itself 10 miles southwest of the port, and straggles north to the Aquieville area near Montemayville Les Nons-Hague, a hamlet between Aquieville and Cherbourg—an area which at last available reports gave the closest approach to the port.

On the main road from Les Pieux to Cherbourg Lt. Gen. Omar N. Bradley's veteran American troops have reached points four miles from the port. The line then swings toward the northeast coast, with the doughboys anywhere from four to six miles from the city at most points, and eventually hits the beach more than three miles north of Quineville.

Sea Attack Unlikely

Despite German reports the surprise allied command said it has no knowledge that allied warships were shelling Cherbourg from the sea and declared such an attack was unlikely.

The port is protected by seven coastal forts which should be much simpler to take by land assault than from the sea.

Only patrol activity was reported elsewhere on the Normandy beachhead except in the Tilly-sur-Seuil area.

The British announced capture of Onchy, three and a half miles southwest of Tilly. At the same time the Germans launched three heavy counter-attacks on the newly-taken British stronghold of Hottot, two miles south of Tilly. The attacks were reported held, but the situation in the village itself was obscure.

The Caen area even farther to the east was quiet.

## ALLIES PUSH ON IN NORTH ITALY

Eighth Army Advances Four Miles Above Perugia.

ROME, June 21—Eighth Army veterans have hurled the last stubborn Nazi defenders out of Perugia, communications hub 85 miles north of Rome, and advanced some four miles north of the city, allied headquarters said today.

The Allied drive still was in steady motion although the German had thrown the elements of seven divisions against the right flank of the Fifth Army's front in an effort to slow its pace. But the fifth thrust through the town villages, making what headquarters termed "minor tactical gains."

It was disclosed that the Fifth Army has taken prisoners from the 19th Luftwaffe division, which left Perugia June 16, four days after the invasion of France began.

This was the second German division to be diverted from the western front since the Allies' spectacular advance in Italy began, the 29th Luftwaffe division having arrived here previously from Denmark. Prisoners also have been taken in the same general area from the 16th SS division which was brought here from the Balkans.

Mediterranean Air Force headquarters announced Thunderbolt of the First Tactical Air Force severely damaged an enemy aircraft carrier in Genoa harbor believed to be an Italian ship being refitted.

Tactical aircraft flew 750 sorties yesterday over the battle area and all returned.

After clearing the university city of Perugia, Eighth Army troops headed off the withdrawing Germans in several directions. They soon occupied high ground northwest of the city. Forward elements northeast of Perugia reached a point some five miles from the city limits.

The occupation of Perugia was carried out by a column led by the 16th and 5th Lancers, famous British cavalry regiments now armored.

Further west Eighth Army troops were astride Highway 71 northeast of Lake Chiassi and the towns of Chiassi and Celona were taken of the enemy.

## Marion Paratrooper in Three Invasions

Wood was received recently by his parents here from Pfc. Francis Huffman, paratrooper who has taken part in the invasions of Sicily, Italy and France. A letter to the parents, Mr. and Mrs. Hiram Huffman of 128 Plymouth street, told them he "came through the last invasion all right" and asked them to "not worry." Before enlisting in service June 7, 1941, he was an employee of the Erie railroad here, and for 15 months he is with the 82nd Airborne division of the Army Air Force.

equator, are about 800 miles from the Philippines and a like distance from Yap in the Carolines, Celebes east of Borneo, Timor in the Netherlands East Indies and Darwin, Australia.

American construction crews hastened to put into operation both Borokor, which the Japanese never quite got ready to use, and Sorido, also in bad shape. The allies now occupy most of the flat southern half of Bink, which is suitable for airstrips.

Headquarters announced today that the Battle of the Philippines, operating possibly from Mokmer or Owi, attacked enemy shipping off Manokwar, Dutch New Guinea, 135 miles to the west, Monday, and sank a 1,000-ton freighter, a small coastal vessel and four barges at a cost of one plane.

Liberators from the admiralty islands dropped 30 tons of bombs on Truk in the Carolines without encountering interception or anti-aircraft fire.

## Japs Approaching Hengyang in China

CHUNGKING, June 21—Japanese forces have driven across the Lu river and are within 65 miles of strategic Hengyang, approximately 100 airline miles southwest of the fallen Hunan province capital of Changsha, the Chinese high command announced today.

Hengyang, apparently the next major goal of the Japanese, is situated on the Sling river at the junction of the Canton-Hankow and Hunan-Kwangsi railways. Should it fall, the Japanese would have taken a long step toward splitting China in half, establishing an overland trunk railway, neutralizing a number of allied air bases and putting themselves in better position to oppose possible U. S. landings on the China coast.

The fall of Changsha, which had been announced previously by the Japanese, was acknowledged belatedly last night by the Chinese high command, which said the last defenders withdrew from the city Sunday after inflicting heavy casualties on the Japanese. The Chinese said the Japanese had employed approximately 50,000 troops, strongly supported by artillery and air attacks to take the city.

## Wallace Enraptured by Russian Progress

LONDON, June 21—In a statement of thanks to the U. S. S. R. for his hospitable reception, Vice President Henry A. Wallace was quoted today by the Moscow radio as saying before his departure for Chungking:

"I must say my personal impressions surpass all my expectations. I am enraptured by the scope of building and great achievement. The heroic effort of the peoples of the U. S. S. R. has been crowned with brilliant successes in all branches of science, industry and art."

## Y. M. C. A. CENTENNIAL PROGRAM PRESENTED

Anniversary Marked at Meeting of Rotary Club.

A program featuring the centennial celebration of the Young Men's Christian association was given in the weekly luncheon meeting of the Marion Rotary club at Hotel Harding, Tuesday noon.

Included was the premier showing in Marion of a sound motion picture, "Men of Tomorrow," which reviews the history of the Y. M. C. A. from its founding in England in 1844 and on through its development throughout the world.

Numerous activities and services of the organization were depicted in interesting sequence with Lowell Thomas as narrator. The movie was prepared under the direction of Julien Bryan and script was written by Charles Newton.

"Men of Tomorrow" has been designated as the official Y. M. C. A. centennial motion picture. Its showing yesterday formally inaugurated the Marion Y. M. C. A.'s formal observance of the anniversary of the founding.

Preceding presentation of the picture a brief talk was given by Earl N. Hale, secretary of the Marion Y. M. C. A.

Guests at the meeting were Pvt. Joe Welch of Marion, who has been stationed at Fairbanks, Alaska, Lt. Col. B. J. Cehrs of Marion, stationed at Fort Bragg, N. C., Charles W. Rice, Union City, Ind., business man who is a former Marion resident, Glen Hoover and Kent Harrison of Cleveland and John Dowler of Marion.

## CHIANG PROPOSES COLLECTIVE PEACE

CHUNGKING, June 21—A general system of collective security, backed if necessary by an adequate international force, was urged by President Chiang Kai-shek tonight at a brilliant state banquet given by him and Mrs. Chiang in honor of Vice President Henry A. Wallace.

Assuring the visiting American that China wishes to live in good neighborliness, harmony and peace with all nations, the generalissimo said:

"We respect the integrity and independence of every nation. We dream no dreams of domination. We have no territorial ambitions. The Chinese believe, he said, in an ever-increasing cooperation with other countries in matters economic, financial, cultural and political, and in the development of our industry and our immense natural resources, we will welcome foreign investment and foreign technicians."

He asked Wallace to take back the message to President Roosevelt, the American congress and the people that the people of China deeply appreciated the moral and material support America has accorded China, and that China is as determined as America in destroying the forces of aggression, in establishing an enduring world peace and in promoting the welfare of mankind.

The state banquet at the presidential villa followed a tour in which Wallace met "young China" rubbing shoulders with cheering students whom he told to "work for the day when all the people of China can read and write."

## Y. M. C. A. CENTENNIAL PROGRAM PRESENTED

Anniversary Marked at Meeting of Rotary Club.

A program featuring the centennial celebration of the Young Men's Christian association was given in the weekly luncheon meeting of the Marion Rotary club at Hotel Harding, Tuesday noon.

Included was the premier showing in Marion of a sound motion picture, "Men of Tomorrow," which reviews the history of the Y. M. C. A. from its founding in England in 1844 and on through its development throughout the world.

Numerous activities and services of the organization were depicted in interesting sequence with Lowell Thomas as narrator. The movie was prepared under the direction of Julien Bryan and script was written by Charles Newton.

"Men of Tomorrow" has been designated as the official Y. M. C. A. centennial motion picture. Its showing yesterday formally inaugurated the Marion Y. M. C. A.'s formal observance of the anniversary of the founding.

Preceding presentation of the picture a brief talk was given by Earl N. Hale, secretary of the Marion Y. M. C. A.

Guests at the meeting were Pvt. Joe Welch of Marion, who has been stationed at Fairbanks, Alaska, Lt. Col. B. J. Cehrs of Marion, stationed at Fort Bragg, N. C., Charles W. Rice, Union City, Ind., business man who is a former Marion resident, Glen Hoover and Kent Harrison of Cleveland and John Dowler of Marion.

## CHIANG PROPOSES COLLECTIVE PEACE

CHUNGKING, June 21—A general system of collective security, backed if necessary by an adequate international force, was urged by President Chiang Kai-shek tonight at a brilliant state banquet given by him and Mrs. Chiang in honor of Vice President Henry A. Wallace.

Assuring the visiting American that China wishes to live in good neighborliness, harmony and peace with all nations, the generalissimo said:

"We respect the integrity and independence of every nation. We dream no dreams of domination. We have no territorial ambitions. The Chinese believe, he said, in an ever-increasing cooperation with other countries in matters economic, financial, cultural and political, and in the development of our industry and our immense natural resources, we will welcome foreign investment and foreign technicians."

He asked Wallace to take back the message to President Roosevelt, the American congress and the people that the people of China deeply appreciated the moral and material support America has accorded China, and that China is as determined as America in destroying the forces of aggression, in establishing an enduring world peace and in promoting the welfare of mankind.

The state banquet at the presidential villa followed a tour in which Wallace met "young China" rubbing shoulders with cheering students whom he told to "work for the day when all the people of China can read and write."

FISHER NAMES AID

COLUMBUS, O., June 21—State Liquor Director Don Fisher today announced appointment of James W. Blair of Columbus to a newly-created position of administrative assistant in charge of special assignments. Fisher said Blair's first assignment would be to establish procedure and control distribution of whisky to Ohio shareholders of distilling companies liquidating their inventories. Blair, an attorney, was selected because of his legal background, Fisher said.

Both areas meet the requirements of General Eisenhower, whose only word of his plans is that he wants to get at the enemy. From this distance it appears a 200-mile front from the Seine to St. Nazaire would let us in as just as many of Hitler's legions as would the more heavily fortified north.

## SALARY COMMISSION RECOMMENDS RAISES

**By The Associated Press**  
**COLUMBUS, O., June 21**—The state salary study commission yesterday tentatively recommended pay increases ranging up to nearly 100 per cent for top Ohio officials.

Proposals of the commission, headed by State Senator John P. Stephenson, East Liverpool Republican, will be submitted to the legislature next year. Stephenson said final recommendations would not be made for several weeks. All officials affected are elective.

Largest increase recommended was a \$5,500 pay jump for the attorney general, bringing his salary to \$12,000 a year compared with \$6,500 at present.

Current salaries and new pay schedules recommended by the commission for other state officials are:

Governor, \$10,000 and \$15,000; auditor of state, \$6,500 and \$10,000; secretary of state, \$6,500 and \$9,000; treasurer of state, \$6,500 and \$10,000 (with enactment of a provision eliminating fees from conservancy districts); lieutenant governor, \$3,000 and \$3,600; chief justice, \$12,500 and \$13,500; supreme court judges, \$12,000 and \$13,000; members of the state senate and house of representatives, \$2,000 and \$2,500.

The commission took no action on a proposal to provide uniform pay of \$12,000 per year, coming entirely from the state, for all district court of appeals judges. The state now provides \$8,000 annually for each judge, and counties provide additional amounts based on population, with a maximum of \$12,000 total salary.

## WORK STARTED ON PLATFORM

**G.O.P. Leaders Draft Party Stand as Convention Date Nears.**

**By The Associated Press**  
Republican leaders at Chicago started work today on drafting a platform designed to help the campaign to put their candidate in the White House—a candidate the party chairman says will be named by next Wednesday.

That is the third day of the party's national convention which starts Monday. Chairman Harold G. Spangler settled on it in a prediction there will be no balloting deadlock.

From the various campaign headquarters of presidential possibilities, meanwhile, there continued to flow expressions of praise for their men.

Roy D. Moore, for Governor John W. Bricker of Ohio, said "the responsible leaders of the Dewey forces are, as convention time nears, retreating from" what Moore called fantastic claims.

J. Russell Sprague, for Dewey, commented "we are confident of the result."

Victor Johnson, for Lt. Cmdr. Harold E. Stassen, said the former Minnesota governor "is the only one who talks" the language of voters under 40 in and out of the service.

Also in Chicago, the anti-fourth term organization American Democratic National committee voted to call a convention of all organizations opposed to the renomination of President Roosevelt.

It voted down a once-approved recommendation that the Republicans nominate a coalition ticket such as Bricker and Harry F. Byrd, Virginia Democratic senator.

Other political developments: Supporters in congress of Rep. Everett Dirksen of Illinois announced they would present his name to the Republican convention for the vice presidential nomination.

The North Carolina delegation in the house of representatives formally recommended that the Democrats nominate Gov. J. M. Broughton of the Tar Heel state for the job Vice President Wallace now holds.

## HOME YOUTH COUNCIL FORMED BY FARM BUREAU

**Group Organized at Meeting in Graner Home.**  
The first Home Youth Council for youth of Marion county was organized Monday night at the home of Mr. and Mrs. A. W. Granger of Big Island township.

Officers elected were: Carl Granger, president; Donald James, vice president; Ruth Granger, secretary; David Fogle, discussion leader; Patricia Payne, representative to the education committee; Kathryn Seiter, representative to the health committee.

The purpose in organizing the group was to fulfill the recreational needs for young folks in rural communities. It is part of a statewide program. Minutes of the meetings go to the Ohio Farm Bureau in Columbus where adult leaders aid the youth groups in their projects. At each meeting discussions are held concerning youth problems. The subjects for the discussions are planned at the preceding meetings. The group includes unmarried young folks between the ages of 14 and 24.

Besides the officers elected, those present were John Paul and Ed Granger, Herbert James and Paul Seiter. The next meeting will be at the Seiter home on Monday, July 10.

# Bow Your Heads

**T**HIS is Invasion! Now in the hearts, brains and muscles of our American Youth lies the future of our country.

Bow your heads. Pray with millions of mothers the country over, as their hearts reach out over the seas, each one seeking out her boy, to protect him with the shield of her love.

Believe that in this world there is definite strength in decency and honor. Believe that in our devotion there is moral force. Believe that our *will* to victory will aid that victory.

Seek and ye shall find!

Let us seek added strength and fortitude for our men in our own sacrifice and devotion.

Let us focus every thought, every action, and every prayer on the boys fighting for us.

And, while each one bends to his task with ever-growing fervor and energy, let us adopt a common symbol as our faith in Victory.

Let that Symbol be War Bonds. Let us pour our money in a gigantic *flood* of goodwill toward our sons and brothers, as a spiritual shield for them.

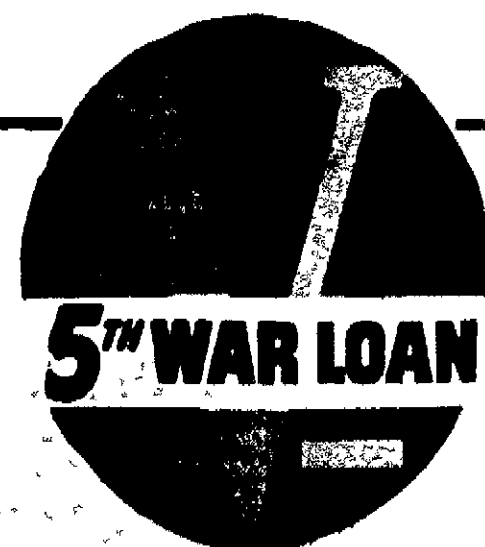

This is the Invasion. The lives of our boys are at stake. Let them see that the Soul of America is with them.

Let it not be too late . . . not next month, next week, or tomorrow, but today . . . *now*.

## ANYTHING —About— SPORTS

By Charles Elliott

### HERE'S A GOOD TEAM

ONE of the first Ohio State league All-Star team selections to reach the Star sports desk may also prove to be one of the best and win for the selector, a local amateur athlete, one and possibly two tickets to all league games remaining in the 1934 season.

Here's the team as chosen by this prompt fan:

**Infielders**—Harvey Zernia of Lima, Bob McDonald of Newark, Bill Brockel of Marion, Bob Boddy of Marion and Zaden of Middletown.

**Outfielders**—Neil Beside of Lima, Matoria of Springfield, Steve Senko of Middletown and Virj Minnis of Marion.

**Pitchers**—Dick Steinhauer of Lima, Ned Garver of Newark, Randy Edwards of Marion and Baine Smith of Middletown.

**Catchers**—Cy Koppa of Newark and Joe Bellamy of Marion.

This team would be hard to beat. There are of course a few positions which might provoke disagreement on the part of other fans. But still this team probably could hold its own in the fastest Class C or D league.

Stars of this team would be Beside of Lima, Senko of Middletown and Minnis of Marion. The whole mound corps is of Grade A caliber. Only Marion's Edwards does not boast a sterling win-and-loss record, but he has shown plenty of ability toiling the slab thus far and is expected to increase his effectiveness as the campaign wears on. Steinhauer, Garver and Smith, with their fine states, would be welcomed to any lower class minor league pitching staff, if not one of higher grade, such as the Piedmont or Eastern leagues.

There might be some disagreement as to the choice of Matoria as an outfielder, on the All-Star outfit in place of Roy Eder, fancy-dan Zanesville fly-chaser. Eder sports a healthy batting average and his fleetness of foot has helped the Dodgers to no small degree this season. Minnis without a doubt is Marion's top hitter, especially in the clutch when runs are needed. Since he was forced from the lineup in the Lima series last week, the Marion team has lost six out of seven games, not including the result of last night's game with Springfield. He's an ideal clean-up man, possessing as much power as the plate as any stickman in the Ohio State league. He has belted three home runs and on top of that has had more than his quota of other extra base knocks—doubles and triples. If he had played in as many games as some of the league slugging leaders, he doubtless would be pacing the circuit in many departments. Up to last Tuesday, he had hit safely in 18 straight games.

The starting catching assignments on the All-Star team will be one of the most difficult positions to decide upon. Joe Bellamy of Marion and Cy Koppa of Newark are generally rated as the league's two best receivers but there's not much on which to base a final choice for the starting role between them. Since Newark is heavily favored to be the host team for the All-Star contest, Koppa is expected to be eliminated as one of the All-Star team's catching candidates.

Steve Senko of Middletown is the loop's top hitter in percentage figures but he's not Babe Ruth as power goes. He's the kind of

## Neville's Eddie Havens Cops \$1,000 WMRN Stake.

THERE was something new under the sun for the Marion Little Grand Circuit meeting as the eleventh state of racing in the 15-card sulky parade was conducted over the county fairgrounds oval last night before 1,800 fans.

For the first time in the meeting, all three events were won in straight heats, the same horse taking each session of the respective races: Indiana Pete, brown gelding driven by C. L. "Slim" Shilling, made a clean sweep of the first race, the \$200 classified trot, Joe Neville's Eddie Havens steered by Wayne "Curley" Smart was all-victorious in the second and feature event, the \$1,000 WMRN stake for three-year-old pacers and Frisco Don, in his third start on the local track, breezed to monopolistic wins in the third race, the 26 trot with a \$300 purse.

All three of these horses were betting favorites and also were picked to win by veteran horsemen, who know good equine flesh when they see it. After results of the first heats in each race were observed, there wasn't much doubt as to the outcome of the three events.

Smart's three wins with Eddie Havens, named after the capable driver who has appeared here in a driving role this season, were numbers eight, nine and ten for the first 11 nights of the meeting, which will be concluded Saturday night. Smart and Hugh Bell of Marion are expected to wage an interesting two-way battle for meet honors. Bell, not in action last night, has nine heat victories. Harry Fitzpatrick of Illinois still leads the pack with 12 wins but it is has been learned that he will not be at the reins for the remainder of the meeting, thereby giving Smart and Bell a virtually clear field for piloting honors.

Shilling has 8. Shilling, Columbus driver now has eight wins following his triumph with Frisco Don in the third race last night. He's fourth among the drivers. Clayton Cox ranks fifth with six wins, all with Frisco Don, a big brown gelding. Frisco Don's first start here was in the \$300 26 trot last week, in which he finished second with first place, second place and fourth position finishes. Later, in another running of the 26 trot, he won the race by capturing the last two heats after winding up behind Trouble Direct in the opener. Indiana Pete, which won the first race last night, previously in the local meeting placed second in the \$1,000 Marion Grain and Supply Co. stake for 15 trotters.

Tonight, Frank Foster has whinnied up another fine-looking card, highlighted by the Schaffner Furniture Co. stake for 15 class pacers. A purse of \$1,000 will be offered. Other races will be the 21 class trot and 23 class pace, both for \$300 booty. Seven pacers have been named to go in the feature event.

A gaudier at the first race, the \$300 classified trot, last night, T.N.T. poked his nose in front at the start of the first heat but at the half it was Seniah who was ahead. In the backstretch, Indiana Pete took a short lead and was ahead by a length going into the stretch. Pete's principal contender, Seniah, broke in the stretch so the Shilling-driven gelding came in to win easily, by four lengths. In the second heat, it was T.N.T. again ahead at the start and half and in the backstretch by a length. Indiana Pete, behind going into the stretch, staged a strong finish to win, T.N.T. explosive at the start, led in that portion of the third heat, 9-16 mile. Indiana Pete took the lead at the first turn and pounded in to win, shaking off the strong bid of Seniah, which placed second in all three heats.

Resembles T.N.T. Propaganda in the second race resembled T.N.T. in the first event. Propaganda led at the start, half and the backstretch of the first heat. Propaganda had a length lead over Eddie Havens

in the upper turn but the latter pulled out in the stretch and triumphed. The second heat saw Eddie Havens leading at the start, half and every other stage of the race. In the full mile last heat, it was Evans Abbe in a quick opening spurt and at the half, in a slow time of 1:10. However, Eddie Havens took a notion to go ahead in the upper turn and did so. He won by a length.

The third race was predominantly Frisco Don, that horse leading all the way in the initial heat. He won that round by four lengths. The second heat was won by Frisco Don by the same margin. Lance Bunter came in second after a photo finish laid down the decision. In the 9-16 of a mile final heat, Frisco Don was ahead in the backstretch by four lengths, ahead five lengths when the turn was reached leading into the final stretch and won the race by five length lengths.

Again the daily double last night paid off in none-to-no appealing figures. It returned \$4.80 for Eddie Havens and Frisco Don, winners of the first heats in the second and third races respectively. There was no show betting last night, because of the small fields for all three events.

The first and third races last night were All-Ohio events, all the horses being Buckeye state-owned. Following is a summary of last night's race card:

### Babe Didricksen Burns Up Course in Tourney

By The Associated Press

CHICAGO, June 21.—The psychological edge Babe Didricksen Zaharias seems to have over the field in the women's western open because of her rocketing 250-yard drives is beginning to evaporate.

As the No. 1 war-time women's tournament today narrowed down to 16 survivors in the second round of match play, Babe was coming into contact with veteran campaigners.

Tiger Jack Moore, popular Arkansas grappler, returns to Marion armory Thursday night to wrestle Buddy Knox, rough maitman from Nashville in the two hour main event. Both men stand around six feet and weigh 200 lbs. A double semi-final rounds out a swell program with two 45 minute matches, two out of three falls. In the one Cy Larsen wrestles Steve Nenoff and Angelo Martinelli meets Irish McGee in the other.

Larsen made a hit with the fans last Thursday and in wrestling Nenoff he will be up against the best. Call Markert & Lewis Cigar Store for reservations.—Adv.

SPRINGFIELD, 22 TO 5 OHIO STATE LEAGUE ALL-STAR TEAM

Giants Belt Three Marion Pitchers All Over Lot.

Special to The Star

Blasting out 19 hits, the Springfield Giants banged out a 22 to 5 victory over Marion in the second game of their series here last night. The Giants scored in every inning but the fourth and sixth as they belted three Marion pitchers all over the lot.

Catcher Bill Daves and First Baseman Jerry Gutt paced the Springfield attack. Collecting nine hits between them, Daves poked out three singles and two doubles besides driving in four runs and scoring three himself. Gutt collected a pair of doubles and two singles, drove in six runs and scored three times. Mike Martin also hit a home run in the third inning.

Ted Ely started for Marion and gave way to Ostrowski who turned over the pitching chores to 2. Pace in the sixth inning. Marion collected only four hits off Southpaw Willshaw, three of them for extra bases.

A summary follows:

**Middletown, Dodgers Upset Favorites**

With the exception of the Springfield-Marion massacre, Ohio State league games last night saw the supposed underdogs chalk up victories. Middletown's Red Sox, after a mid-June slump, pounded out 17 hits to hand the leading Newark Mountsman a 14 to 3 licking. Baine Smith, Middletown's mound ace, was on the mound. Meanwhile, Lima's Red Birds were no longer red-hot as they were blasted by the fifth place Zanesville Dodgers, 13 to 10. Lima is still in second place, three games behind Newark while Springfield is in third, a half game back and the Middletown team trails the Giants by only a few percentage markers. Marion is now 13 1/2 games out of first place and three contests behind Zanesville.

Line scores in games last night not involving Marion follow:

BY PESKY ATHLETICS WHO ARE GOING UP

A's Expected To Have a Say in Crowning of American League Champs.

By FRITZ HOWELL

Associated Press Sports Writer

Conceit Mack's Athletics haven't won a pennant since away back when, and they aren't hot choices this year, but there's a growing feeling they might have quite a bit to say about who emerges on top in the American league's free-for-all.

Canny Connie's conglomeration served notice yesterday they are very much in the league. They were reading placidly in last place when Joe Cronin's sporting second-place Red Sox came to town.

When the smoke from the double header cleared away, the Mackmen had jumped to a sixth-place tie, and had spoiled Boston's chance of slipping into first place over the St. Louis Browns, who split a twin bill with Chicago's White Sox.

The A's needed 11 innings to beat Boston in the opener, 5 to 4. The second was easy. Veteran Bobo Newsum allowing two hits for a 2 to 0 shutout.

The Browns stretched their lead to a game and a half by salvaging the second from Chicago, 5 to 0, after losing the 10-frame opener, 4 to 3. Al Hollingsworth won his first of the season in the nightcap.

**Tribe Beats Tigers WITH REVISED TEAM**

By The Associated Press

DETROIT, June 21.—Manager Lou Boudreau's first batting order shake-up of the year paid dividends yesterday as Cleveland's Indians rallied in the ninth inning to defeat the Detroit Tigers, 3 to 1.

However, the win failed to prevent the Tribe from dropping into the American League basement. The Philadelphia Athletics moved out of the cellar by spanking the Boston Red Sox in a twilight-night double header.

Boudreau installed Oris Hockell as lead-off man, dropped Roy Cullenbine to fifth and himself took over the cleanup job which had been in Hockell's hands.

Between them this trio made seven of the nine hits secured off Paul (Dizzy) Trout, scored two of the Cleveland runs and batted in two others.

Allie Reynolds went the distance for the Tribe and allowed nine hits.

In the opening session, Chuck Hostetter, Jimmy Outlaw and Pinky Higgins stroked successive singles to give the Bengals their only tally.
